It's Haverhill Garage Sale Time!

The 2010 annual association-wide garage sales have been set for May 7 & 8, 9am to 4pm.

Be on the lookout for bargains, as well as increased traffic!

Increased Traffic & Ticketing

Due to the construction on Aboite Center Road, we have seen increased traffic through our addition. Residents should be aware that police have been actively stopping and ticketing those speeding and disregarding stop signs in our neighborhood. Please be cautious and obey posted signs!

Lights on for Security!

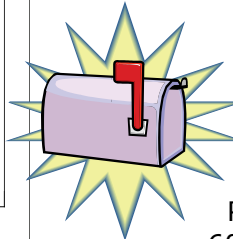

With warmer weather we also experience a greater threat of vandalism and thefts. Residents are urged to keep outdoor lights on for security purposes—this is a simple way to help keep our neighborhood safe. Please report any suspicious activity to the Fort Wayne Police Department. They will take reports over the phone and document the activity, regardless of whether it is necessary to send an officer at that time.

Support Local Wetlands!

Walk for the Wetlands, a 5K/2K fundraising walk for Little River Wetlands Project, will take place on Saturday, June 5, 9-11 a.m. on the nature trails of Eagle Marsh (6801 Engle Road, Fort Wayne).

Please help support this great community resource that LRWP maintains so near Haverhill. Visit www.lrwp.org or call 260-478-2515 for details.

MAILBOX PROBLEMS?

Is your mailbox broken, or are your numbers peeling? Mailboxes and mailbox numbers are replaced by the association in the event of vandalism, breakage, or other issues. Please contact Susi Griffiths at 432-6041 to report a mailbox problem and request repair or replacement.

Street Repairs

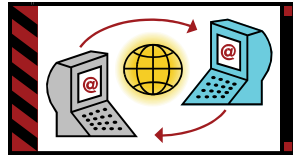

We've received several comments and questions regarding street repairs within the neighborhood. Since annexation, streets are repaired by the City of Fort Wayne (and formerly the county). These are not the responsibility of the association. To increase the chances of our streets being repaired, be sure to fill out the city's **Paving Questionnaire**, which is available online at :

Haverhill Website

The new & improved Haverhill of Coventry website has been growing! Check it out often at **www.haverhillofcoventry.com**.

Do you have a talent or service that you'd like to share or trade within the neighborhood? For example, do you love to sew or scrap-book, but hate doing yard work or painting? If so, contact Kelly Krieg or email info@haverhillofcoventry.com

for a listing on the site! You may be able to find a resident willing to trade services!

ANNUAL ASSOCIATION MEETING

The 2010 Annual Association Meeting, which had been tentatively planned for May, **has been postponed** until additional residents are recruited to serve in board positions. Watch upcoming newsletters and the Haverhill Website for rescheduled date.
